Re: 700 MHz Guard Band Manager Annual Report

Dear Mr. Noel:

On March 2, 2012, Dominion 700, Inc. ("Dominion 700"), licensee of the 700 MHz Block A license for MEA005 (Washington, DC), Call Sign WPRR329, submitted Dominion 700's annual guard band manager's report for 2012, pursuant to Section 27.607 of the Federal Communications Commission's rules, 47 C.F.R. § 27.607.

Dominion 700 respectfully requests waiver of the March 1 filing deadline established in Section 27.607(b) of the rules for submission of the Guard Band Manager annual report. The delay in filing was due to an inadvertent oversight resulting from attention to contemporaneous Commission filing deadlines and other matters. The Bureau may grant a waiver upon a demonstration of good cause for such action. See 47 C.F.R. § 1.3; *ICO Global Communications (Holdings) Limited v. FCC*, 428 F.3d 264 (D.C. Cir. 2005); *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164 (D.C. Cir. 1990); *WAIT Radio v. FCC*, 418 F.2d 1153 (D.C. Cir. 1969). Good cause may be found where "particular facts would make strict compliance inconsistent with the public interest." *Northeast Cellular*, 897 F.2d at 1166; *WAIT Radio*, 418 F.2d at 1157-59. Good cause may be found here because the one-day delay is *de minimis*, was inadvertent, and neither the Commission nor any third party has been prejudiced. The purpose of the annual reporting obligation is to enable the Commission, based on information supplied by Guard Band Managers, to determine whether it is necessary to review the Guard Band service rules and revise licensees' performance requirements. See *In the Matter of Service Rules for the 746-764 and 776-794 MHz Bands, and Revisions to Part 27 of the Commission's Rules, Second Report and Order*, 15 FCC Rcd. 5299, ¶79 (2000). Submission of the required information one day late will not undermine this objective; indeed, the public interest will be best served by accepting the annual report so that the Commission has a record of the information needed to support the rule's intent. Thus, waiver is appropriate in this instance because it will not undermine the purpose of the rule, and the public interest benefit of accepting the annual report outweighs any benefit from rejecting it. See *WAIT Radio*, 418 F.2d at 1157; *Northeast Cellular*, 897 F.2d at 1166.
