### NOTICE TO APPLICANTS

The Federal Communications Commission uses the information collected in the FCC Form 183 to determine whether an applicant is legally, technically, and financially qualified to participate in a Commission auction for Connect America Fund Phase II (CAF-II) support. The Commission's auction, including the collection of information to determine an applicant's qualifications to participate pursuant to Commission rules and requirements, is designed to limit the competitive bidding to qualified applicants; to deter possible abuse of the bidding process; and to enhance the use of competitive bidding to distribute CAF-II support in furtherance of the public interest.

The Commission estimates that each response to this collection of information will take on average 7 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain required data, and actually complete and review the form or response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-XXXX). We will also accept your comments regarding the Paperwork Reduction Act aspects of this collection via the Internet if you send them to [PRA@fcc.gov](mailto:PRA@fcc.gov). PLEASE DO NOT SEND COMPLETE APPLICATION FORMS TO THIS ADDRESS.

You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a current valid Office of Management and Budget (OMB) control number with this notice. This collection has been assigned OMB control number 3060-XXXX.

**THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, PUBLIC LAW 104-13, OCTOBER 1, 1995, 44 U.S.C. SECTION 3507.**

## Applicant Information

 Attachments  Print  Help  Quit

The Applicant Information section allows you to identify the applicant, its responsible party (where applicable), and its auction contact person; disclose the applicant's status as an eligible telecommunications carrier; identify previous FCC Form 477 and FCC Form 499 filings; and provide operational and financial information. The contact individual will be sent all correspondence concerning this application. The applicant name will be used as the bidder name during the auction. *The asterisk (\*) indicates a required field.*

### Applicant Legal Classification

\* To determine the applicant information required by the FCC please provide your Legal Classification.

**⚠ Note:** After selecting and saving your legal classification, you will be required to enter additional applicant information on subsequent pages of this form. If you later change your legal classification selection and save your changes or navigate away from this page, some of your previously-entered applicant information will be deleted as a result of the change and must be reentered.

### Certify Auction Application

[Help](#)

By clicking the "Certify & Submit" button below, I certify the following:

1. that the application discloses all real parties in interest to any agreements involving the applicant's participation in the competitive bidding.
2. that the applicant has not entered into any explicit or implicit agreements, arrangements, or understandings of any kind related to the support to be sought through the Connect America Fund Phase II auction, other than those disclosed in this application.
3. that the applicant, each party capable of controlling the applicant, and each party that may be controlled by the applicant or by a party capable of controlling the applicant have complied with and will continue to comply with section 1.21002 of Title 47 of the Code of Federal Regulations.
4. that the applicant is in compliance with all statutory and regulatory requirements for receiving the universal service support that the applicant seeks, or that the applicant acknowledges that it must be in compliance with such requirements before being authorized to receive support.
5. that the applicant will make any payment that may be required pursuant to section 1.21004 of Title 47 of the Code of Federal Regulations.
6. that the applicant is financially and technically qualified to meet the public interest obligations of section 54.309 of Title 47 of the Code of Federal Regulations for each relevant performance tier and latency combination and in each area for which it seeks support.
7. that the applicant acknowledges that it must be designated as an eligible telecommunications carrier for the area in which it will receive support prior to being authorized to receive support.
8. that, to the extent the applicant plans to use spectrum to offer its voice and broadband services, the applicant will retain such access for at least ten (10) years from the date of the funding authorization.
9. that the applicant acknowledges that it has sole responsibility for investigating and evaluating all technical, marketplace, and regulatory factors that may have a bearing on the level of Connect America Fund Phase II support it submits as a bid, and that, if the applicant wins support, it will be able to build and operate facilities in accordance with the Connect America Fund obligations and the Commission's rules generally.
10. that the applicant acknowledges that it cannot place any bids in the same state as (i) another commonly controlled entity; (ii) another party to a joint bidding arrangement related to Connect America Fund Phase II auction support that it is a party to; or (iii) any entity that controls a party to such an arrangement.
11. that the applicant and any party to this application are not subject to a denial of federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.
12. that the applicant is aware that if this application is shown to be defective, the application may be dismissed without further consideration and penalties may apply.

I declare, under penalties of perjury, that I am an authorized representative of the above named applicant, that I have read the instructions and the foregoing certifications, and that all matters and things stated in this application, its schedules, and attachments, including exhibits, are true and correct.

**Note:** The T+L Weight value is calculated by adding together the Performance Tier Weight (T) and the Latency Weight (L).

**Note:** If an applicant adds or edits a combination, its eligibility status will be displayed as "Pending." The combination will remain in pending status (even after the applicant re-certifies and re-submits its application) while the resubmitted application is under review by the Commission and until a final eligibility determination has been made.
