

CONSUMER INFORMATION EVENT

Hosted by the FCC and the New Mexico Commission for Deaf and Hard of Hearing

Federal Communications Commission officials will be here to answer your questions and help address accessibility issues you may have. This includes questions on topics such as:

- Accessible video programming (captioning and audio description)
- Direct emergency communications and accessible emergency alerts
- Relay services and telecommunication accessibility
- Robocalls, spoofing, slamming
- How do you make a difference regarding telecommunications and broadcasting issues?

This is a great opportunity to meet with representatives from the FCC.
