

December 27, 2019

To whom it may concern:

Consistent with the requirement of the Connect America Fund Program Mid-Hudson is providing the ETC designation and Mid-Hudson certifies the ETC covers relevant areas where Mid-Hudson will receive high cost support.

Please see the attached PSC Certification along with this letter acknowledging that we have received ETC Designation for the census blocks awarded in connection with Connect America Phase II Support on page 9 of the DA-191050.

Thank you,

A handwritten signature in black ink, appearing to read "Joe Camadine".
