NOTICE OF CERTIFICATION OF AN OPEN VIDEO SYSTEM

DDP Development, LLC (DDPD) pursuant to FCC FORM 1275 and section 76.1502(c) of the Commission rules, hereby submits its Notice of Certification application as an Open Video System (OVS) as required by section 76.1502(c), and respectively submits the following:

OVS Operator

DDP Development, LLC (DDPD) is a New York limited liability company that currently operates and maintains a broadband wireless network in portions of New York City for its community-based partner, The Smart Community Initiative, Inc., a New York not-for-profit community operated training project and Internet Service Provider (see 477 Filing). The mailing address for DDP Development, LLC, is 177A E. Main Street, #464, New Rochelle, NY 10801. The contact is Stuart Reid, Co-Managing Partner, with telephone at (347) 949.8305, and email at stureid@ddpdev.org.

Projected Service Area. TSCI's deployment area is all five (5) boroughs of the City of New York.

Projected Channel Capacity. 1,500 channels. TSCI is providing solutions for community communications, remote learning, educational solutions, cultural and arts, entertainment and informational channels utilizing its digital Mobile Bulletin Board service available over its wireless network. The digital Mobile Bulletin Board service enables inclusion of targeted program content on a development specific basis. All of TSCI's content and services are available to end-users within the designated service area.

DDPD will abide by all FCC, state and local regulations and laws in the operation of its OVS facilities.

FCC Compliance. DDPD is acting in good faith in providing the above OVS video distribution services in the public interest. The OVS distribution services are in the public's interest, convenience, safety and need. DDPD is an aggregator of community programming, news, entertainment and emergency preparation, mitigation and recovery information services that are provided over its affiliated community-based wireless network. TSCI is not a cable company.

Statement included in mailing to “OVS Mailing List”

STATEMENT

Local communities may file comments or oppositions with respect to FCC Form 1275 applications for Certification For Open Video Systems. Comments or oppositions must be filed with:

Federal Communications Commission
Marlene H. Dortch
Office of the Secretary
45 L Street NE
Washington, DC 20554

and

Federal Communications Commission
Holly Saurer
Chief, Media Bureau
45 L Street NE
Washington, DC 20554

Section 76.1502 (e) of the FCC's Rules sets forth the requirements for filing such comments or oppositions. This rule provides:

(e)(1) Comments or oppositions to a certification must be filed within five calendar days of the Commission's receipt of the certification and must be served on the party that filed the certification. If, after making the necessary calculations, the due date for filing comments falls on a holiday, comments shall be filed on the next business day before noon, unless the nearest business day precedes the fifth calendar day following a filing, in which case the comments will be due on the preceding business day. For example, if the fifth day falls on a Saturday, then the filing would be due on that preceding Friday. However, if the fifth day falls on Sunday, then the filing will be due on the next day, Monday, before noon (or Tuesday, before noon if the Monday is a holiday).

(2) Parties wishing to respond to a FCC Form 1275 filing must submit comments or oppositions with the Office of the Secretary and the Bureau Chief, Cable Services Bureau. Comments will not be considered properly filed unless filed with both of these Offices. Parties are required to attach a cover sheet to the filing indicating that the submission is a pleading related to an open video system application, the only wording on this cover sheet shall be "Open Video System Certification Application Comments." This wording shall be located in the center of the page and should be in letters at least ½ inch in size. Parties shall also include the words "open video systems" on their mailing envelopes.

Statement of Service. I, Stuart Reid, did place a copy of the Application for Open Video System Certification, including 1275 form, Statement of Ownership, Statement of Facts, Statement of Service Area and the above statement of the Commission's requirements for filing oppositions and comments, in envelopes to the USPS Certified Mail to the following "OVS Mailing List" below:
