**Re: WARNING FOR UNLICENSED RADIO OPERATION
EB-FIELDNER-14-00016361**

Dear Mr. Howard:

It has come to the attention of the Federal Communications Commission that at various times in the last several months operation of your CB radio has been interfering with the electronic devices owned and operated by your neighbors. The general rule is that these types of devices are protected only by manufacturer design from receiving any unwanted radio signals and home electronics have no priority over any radio or broadcast service. Nevertheless, if a CB operator is operating at excessive power levels, it is the responsibility of the CB operator to correct the problem.

The Commission's rules require that you operate your CB station with an FCC certified CB transmitter.¹ The rules also prohibit the use of external radiofrequency power amplifiers (sometimes called linears or linear amplifiers).² The rules further provide that use of a non-certified CB transmitter and/or a power amplifier voids your authority to operate the station.”³

Operation of radio transmitting equipment without a valid FCC authorization is a violation of Section 301 of the Communications Act of 1934, as amended,⁴ and may subject the responsible parties to substantial monetary forfeitures,⁵ *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment.⁶ Because unlicensed operation creates a danger of interference to important radio communications services and may subject the operator to severe penalties, this warning emphasizes the importance of complying strictly with these legal requirements.

¹ 47 C.F.R. § 95.409(a).

² 47 C.F.R. § 95.411(a)(1).

³ See 47 C.F.R. §§ 95.409 (a); 95.411(b).

⁴ 47 U.S.C. § 301.

⁵ Fines normally range from \$7,500 to \$10,000.

⁶ See §§ 401, 501, 503, 510.

**ANY UNAUTHORIZED OPERATION OF THIS RADIO STATION MUST
CEASE IMMEDIATELY.**

You have ten (10) days from the date of receipt of this warning to respond to this office. The response must contain a statement of the specific action(s) taken to ensure compliance with the Commission's rules and should include a time line for completion of any pending corrective action(s). **You are directed to support your response with a signed and dated affidavit or declaration under penalty of perjury, verifying the truth and accuracy of the information submitted in your response.** Your response should be sent to: 1270 Fairfield Road, Gettysburg, PA 17325 and reference the listed case number.

In an inquiry of this type we are required to notify you that under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), the Commission's staff will use all relevant information before it, including information you disclose in your reply, to determine what, if any, enforcement action is warranted in this matter.

Sincerely,

Laura L. Smith, Esq.
