BILLING CODE 6690-01-P

FEDERAL COMMUNICATIONS COMMISSION

[FR ID: 258599]

Privacy Act of 1974; System of Records

AGENCY: Federal Communications Commission.

ACTION: Notice of a modified system of records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) proposes to modify an existing system of records, FCC/OS-2 (formerly OMD-12), Integrated Library System (ILS) Records, subject to the Privacy Act of 1974, as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the Agency. The FCC's Office of the Secretary (OS) in the Office of Managing Director (OMD) uses the records in OS-2 to keep track of items borrowed by registered users from the FCC Library's collection and to ensure that all items are returned to the FCC Library in a timely manner and/or upon a FCC employee's departure from the Commission.

DATES: This modified system of records will become effective on November 5, 2024. Written comments on the routine uses are due by Thursday, December 5, 2024. The routine uses in this action will become effective on Thursday, December 5, 2024 unless comments are received that require a contrary determination.

ADDRESSES: Send comments to Brendan McTaggart, Federal Communications Commission, 45 L Street NE, Washington, DC 20554, or privacy@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Brendan McTaggart, (202) 418-1738, or privacy@fcc.gov.

SUPPLEMENTARY INFORMATION: This notice serves to update and modify FCC/OS-2 as a result of various necessary changes and updates. The substantive changes and modifications to the previously published version of the FCC/OS-2 system of records include:

1. Renumbering the former "OMD-12" SORN as "OS-2" to align with the current numbering system for FCC SORNs.
2. Updating and/or revising language in seven routine uses (listed by the routine use number provided in this SORN): (1) Litigation and (2) Adjudication (now two separate routine uses); (3) Law Enforcement and Investigation; (4) Congressional Inquiries; (5) Government-wide Program Management and Oversight; (7) Assistance to Federal Agencies and Entities Related to Breaches, which is required by OMB M-17-12; and (8) Nonfederal Personnel.
3. Deleting former routine use (8) Recovering Overdue Library Materials,

which is unnecessary because the disclosures described in that routine use are covered by U.S.C. 552a(b)(1).

The system of records is also updated to reflect various administrative changes related to the system managers and system addresses; policy and practices for storage retrieval of the information; administrative, technical, and physical safeguards; records retention schedules; and updated notification, records access, and contesting records procedures.

SUPPLEMENTARY INFORMATION: *Proposal to renew the following currently approved collections of information:*

1. *Title:* Application for Consent to Exercise Trust Powers.
OMB Number: 3064–0025.
Form Number: 6200/09.
Affected Public: Insured state nonmember banks wishing to exercise trust powers.
Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN (OMB No. 3064–0025)

Information collection (IC) (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Average time per response (HH:MM)	Annual burden (hours)

2. Application for Consent to Exercise Trust Powers—Not-Eligible Depository Institutions, 12 CFR 303.242 (Mandatory).	Reporting (On Occasion)	1	1	24:00	24
Total Annual Burden (Hours)	48

Source: FDIC.

General Description of Collection: FDIC regulations (12 CFR 333.2) prohibit any insured State nonmember bank from changing the general character of its business without the prior written consent of the FDIC. The exercise of trust powers by a bank is usually considered a change in the general character of a bank’s business if the bank did not exercise those powers previously. Therefore, unless a bank is currently exercising trust powers, it must file a formal application to obtain

the FDIC’s written consent to exercise trust powers. State banking authorities, not the FDIC, grant trust powers to their banks. The FDIC merely consents to the exercise of such powers. Applicants use form FDIC 6200/09 to obtain FDIC’s consent. There is no change in the methodology or substance of this information collection. The decrease in total estimated annual burden from 72 hours in 2022 to 48 hours currently is due to decrease in the number of

applications for expedited processing from eligible depository institutions.
